Contract Number: DIR-CPO-4817 Vendor Number: 32081910922

Managed Print Services Contract Overview

BPS Ventures II LLC dba BPS Technologies LLC provides Managed Print Services and Enterprise Content Management with brands including Canon, Kodak and Fujitsu. Customers can purchase directly through this DIR contract. Contracts may be used by state and local government, public education, other public entities in Texas, as well as public entities outside the state. Sub-Contractors are available for this contract

Our Products

BPS Technologies can improve your organization's efficiency, control and resiliency by driving digital transformation and cloud innovation through the use of intelligent capture and process automation solutions.

BPS partners with leaders in digital imaging and process automation technologies to design best-in-class solutions for our clients.
